THANK YOU

We, the students of Houghton Lake High School wish to thank the voters of this community who have made possible for us to have the beautiful new school building.

We also wish to thank the business men who have, through their generous advertising, have made it possible to publish this annual.

DEDICATION

We, the Annual Staff, dedicate this book to Lester E. Howe. Being a member of the first class to graduate from the old Houghton Lake High School in the year 1927 and a member of the current faculty we feel he is most deserving of the Honor. Mr. Howe is one of the most popular and understanding teachers on the faculty. He is never too busy to pass along advice and to lend a helping hand whenever needed. By this dedication the staff feels it can in part show Mr. Howe its affection and admiration.

THE BEST YEARS OF OUR LIVES

(With Apologies to M.G.M.)

It was September of 1946 when we first struck H. L. H. S. and started our high school career.

The first and largest event of the year, for us, was initiation. Our class officers were: President, Harold Bowman; Vice President, Jack Langthorn; Secretary, Virginia Hanneman; Treasurer, Stan Lowe. Miss Gudmendsen was our class advisor that year. We gave our parties and such and the upper-classmen said they thought we could make it through those long four years we had ahead of us.

It was back again in "47" for most of us, only this time we were Sophmores and a little higher up in the world. Mr. Sherwood was the bossman that year and again we did all right. We put on our "Spring Festival" which went over very nicely. We choose the following as our class officers: President, Jim Bosley; Vice President, Jack Langthorn; Secretary and Treasurer, Carol MacDonald. Also, that was the year we gave our first Sno-Ball. As Sophmore candidate, for Snow Queen, we picked Nelda Sharrow.

Next on the list came the Juniors, and that was us. With Mrs. Wenig as our advisor we could hardly go wrong. As Junior candidate for queen we put up Charmaine Rohn, who was crowned "Miss Houghton Lake." Our class officers that year were: President, Bob Smith; Vice President, Jack Langthorn; Secretary, Camilla Howe; Treasurer, Marilyn Hole.

Our Junior Play "Good Morning Glory" was a smash hit so we continued on. We gave the Junior-Senior Banquet and then the Prom. Finally our class rings arrived. We had about given up hope of ever getting them. Then came Baccalaureate and Graduation, when we marched in with the Seniors. We certainly were a proud bunch of Juniors.

Suddenly it was here. Our Senior year at last. Miss Houghton took over the job of coaching us along. Our class officers were: President, Dwight DePotty; Vice President, Dick Chapin; Secretary, Camilla Howe; Treasurer, Helen Seward. The Senior candidate for Snow Queen was Violet Peterson. Our play "Seventeen Is Teriffic" was teriffic. The banquet the Juniors gave for us was wonderful, everyone had a swell time, especially the Seniors, you should have seen us.

Last but not least--Baccalaureate and Commencement. We, of course, enjoyed these two events much more than did anyone else. Yes, that was what we had been waiting for in these last four years, and at last it had come. To us it didn't seem possible that we could really be graduating. But it was and we were glad. Now, all the Seniors of "50" join together in wishing the underclassmen "all the fun we had in high school." And as we go our separate ways, we will always remember the swell times in "good ole" Houghton Lake High."

Junior Class

When school opened in the fall, Rod Puffer was elected to lead the class as President. To assist him were chosen Herbert Randall Vice-President; Norma Baxter Secretary; Nancy Blumerich Treasurer.

Many Juniors acted on committies for the Sno-Ball and Nancy Blumerich was contestant for Queen. Also from the class Doris Beneke and Shirley Kobman were representatives for other organizations for the Queen contest.

Their play the Jade God a fast moving mystery was a great success and kept the audience entranced until the final curtain.

High-lighting the year was the J-Hop given in the new gym which was festively decorated with hundreds of balloons. Pauline and her Modernaires furnished the music. Also in May was the Annual Junior-Senior Banquet.

During the entire year the class supplimented its treasury through there sale of school supplies and by various bake-sales.

SOPHOMORE NEWS

At the beginning of our Sophomore year we elected officers--which are as follows:

President	Joan Bowman
Vice President	Al Cambridge
Secretary	Joy Ennis
Treasurer	Nellie Ismond
Student Council	Esther Cowles

During the Yultide season our class sold Christmas cards which added a great sum of money to the treasury. Also throughout the year the class continued to sell greeting cards and stationary. The entire class participated most enthusiastically distributing the cards.

On April 14 a "W. P. A." (Women Pay All) party was given. There was a large attendance and everyone had a wonderful time.

We are all looking forward for a better and more intellectual year as "Juniors".

Freshman News

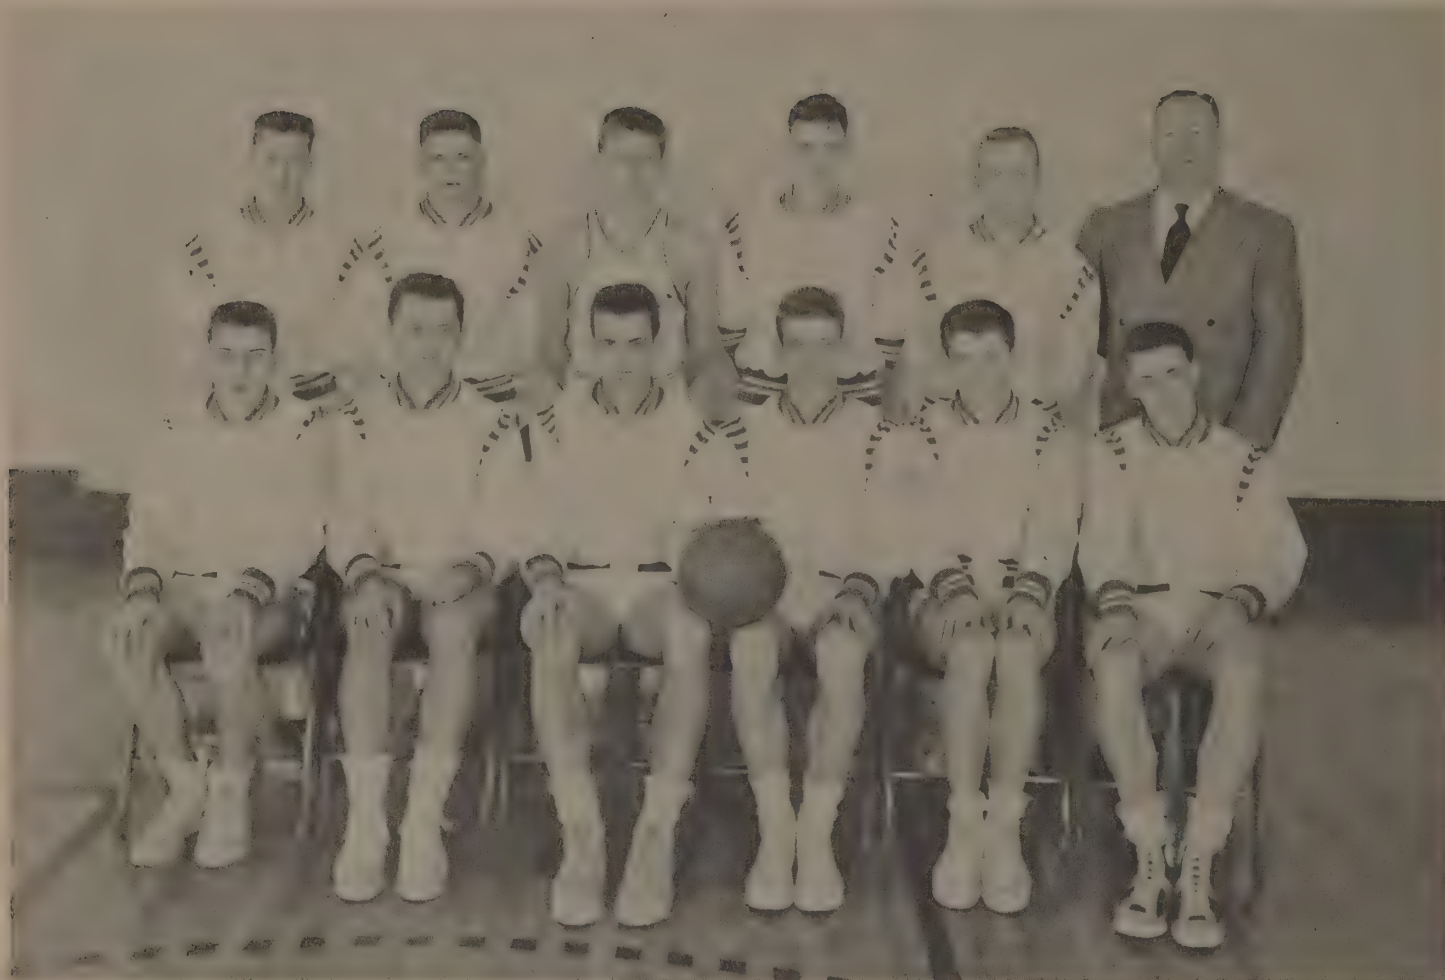

The largest and liveliest class in school this year was the Freshmen--Leading them as President was Mary Ellyn Bowman, with Rich Carman Vice-President, Phyllis Sharrow Secretary, Paula Weber Treasurer and Lee Ann Woodard Student Council Representative, Miss Scott and Miss Johnson acted as sponsors.

Paula Weber, Freshmen representative for Queen of the Sno-Ball was runner-up for that honor.

With Night Club "53" the Frosh entertained the student body in one of the most unique and successful parties of the year--flower girls, floor shows and snapping of cameras added to the gaiety.

A talented class has made a grand start in its High School career.

VARSIY BASKETBALL

The Houghton Lake Bobcats, although said to be a green team, went on to have a better than average season. The team was hampered throughout the season by the lack of height and adequate experience. However they did manage to take second place in the conference and made a good showing for themselves in the games they did participate in.

In the District Tournament the bobcats were defeated by a strong Marion team in an overtime period. Although they were defeated the bobcats played good ball and did not feel too bad because of the loss as the Marion team went on to win the District Championship.

SECOND TEAM BASKETBALL

Although the Houghton Lake second team was said to be a green team at the start of the season they went on to be one of the strongest teams in the conference. With the help of some very fine Freshman players the team had a very creditable season. Although they did not win the conference, they were one of the most feared teams in it, and look forward to a fine season next year.

Getting off to a slow start the girl's team came through to end up in second place in the conference. Dropping their first game to Harrison 23-13 they bounced back to trim Merritt 25-15. They lost to Harrison again, to McBain and Kalkaska, the latter by one point. From then on it was a different story. They beat Merritt 38-28, McBain 25-27, and Kalkaska 26-29. The local lassies were the only ones to defeat the league leaders McBain. Under the coaching of Miss Johnson the girls had a successful season and the next year should do even better as no players are lost through graduation. Norma Baxter and Val-le Stuck were placed on the all conference team.

BOBCATS SEASON RECORD

The Bobcats from Houghton Lake High School had a rather unsuccessful season as they won only three games and lost four while tying one. Although they did not win all of their games it was understandable as they played some of the outstanding teams in the state. On the list of defeats there was such schools as Reed City, Ithaca, Ewart and Lake City. All of these schools were rated very high in the state ratings.

In compiling their records the Bobcats rolled up a total of 109 points as against their opponents 92. In winning two of their games the Bobcats piled up the score of 38 and 40 to 0 against Farwell and West Branch respectively.

The Student Council has been very effective this year. When they called their first meeting November 11, 1949, they elected the following officers:

President, Camilla Howe; Vice President, Norma Baxter; Secretary, Paula Weber; Treasurer, Helen Seward; Reporter, Joy Ennis.

The student body participated in an assembly sponsored by the Student Council.

Before moving into the new high school, the Student Council drew up and enforced new rules to keep proper discipline, this concerned passing in halls, lockers, busses, lunch line, etc.
